

# Official Entry Form

Oct. 18-Oct. 31, 2004  
Oak Cliff Country Club

## ELIGIBILITY

- The Tournament of Champions is open to any current champion of any club or course in the Dallas-Fort Worth metroplex. If the 2004 club or course champion has not been determined by the entry deadline, the 2003 champion will be considered the current champion. Any alternate for male or female amateur players should be the highest available finisher for the course/club's most recent championship.
- Alternate or substitute entries — due to injury, illness or unavoidable conflict — must be approved by the tournament committee.
- Necessary substitutions are acceptable in the team event. Any alternate for a professional must be a bonafide or full-time member of the staff of the same club or course. Any alternate for male or female amateur players should be the highest available finisher for the course's/club's most recent championship.
- Any entrant in any championship event must be 25 years old or older as of Oct. 11, 2004.
- The team event is open to golf professionals and apprentices in good standing with the PGA of America and the Northern Texas PGA and must be employed full-time at the facility they represent.

## EXEMPTIONS

- All previous Tournament of Champions winners and the top 12 finishers and ties from the 2003 tournament are eligible to compete.
- Exempt players will include any metroplex player who has reached MATCH PLAY in the most recent US APL, US Amateur or US Mid-Amateur tournaments; any metroplex player who advances to the quarterfinals or better of any other major national tournament, including the National Seniors. The Tournament Committee reserves the right to admit other players based on their performance over the last year.

## HANDICAPS

- Team Championship: All amateur players in the Team Championship field will use confirmed handicaps (Minimax or equivalent). A PGA or NTPGA professional must attest to the accuracy of handicaps of all amateur players on their teams. Maximum handicaps will be 18 for men and 24 for women amateur players. All pro players will compete without handicaps.
- Women's Net: Only gross scores will be used to determine the Women's Championship.
- Men's Championship: No handicap is required.
